

JustfitLite

**The bulletproof solution for your
successful personal trainer career**

JustfitLite

**Make a difference.
Achieve your goals.
Become your own hero.**

JustfitLite EMS system is the perfect choice to develop your successful personal trainer career. It is a studio on the go, you have all the freedom to have your services in-house or outdoors.

Your future oriented EMS training method and the flexibility you gain will skyrocket your business.

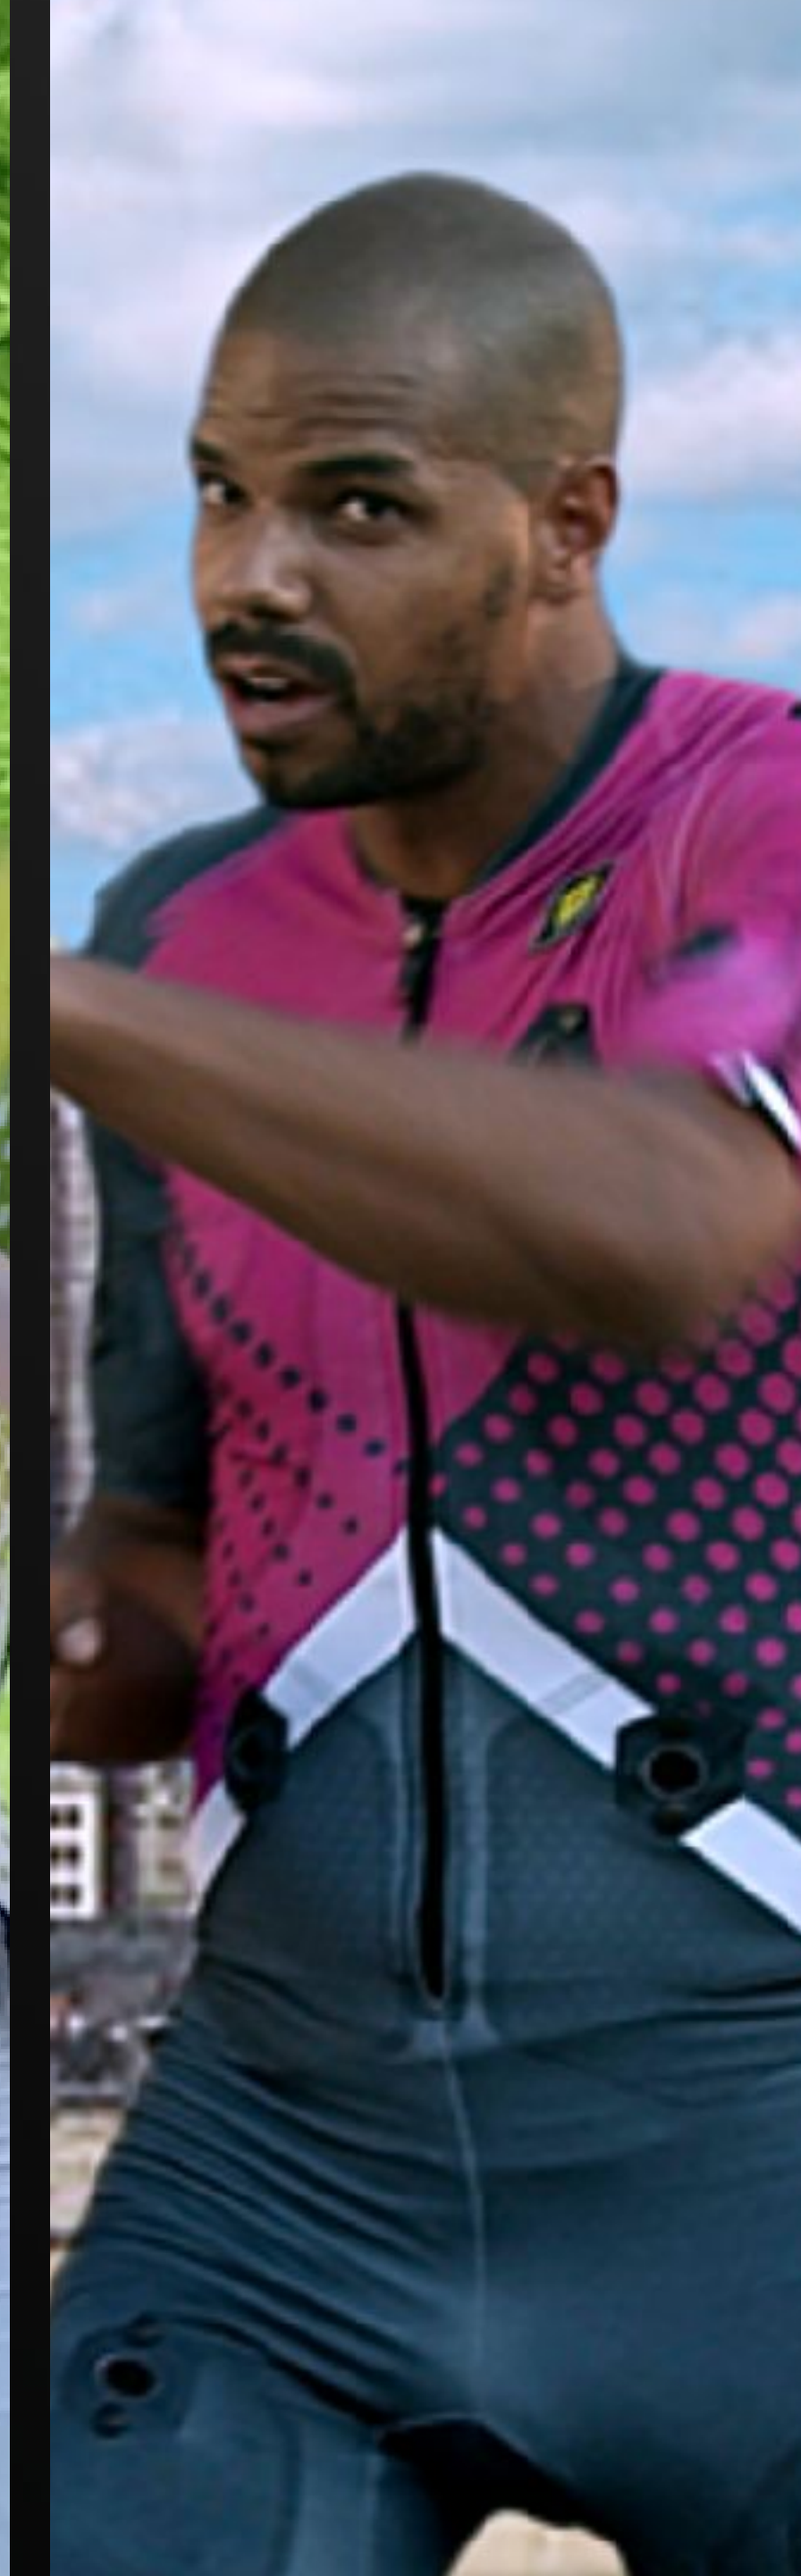

Stay mobile!

JustfitLite is a unique EMS product specially designed for professional personal trainers who regularly perform one to one trainings. No heavy equipment, only mobility. Exactly what PTs need.

Content of the JustfitLite kit:

- JustfitLite control unit (1 pc)
- Justfit Aura Lite software (Android/iOS)
- JustfitPro (3 pcs) OR Justfit Hybrid technology suits (3 pcs)
- Underdress (12 pcs)

Become a point of sales!

Gain extra revenue

JustfitLite is compatible with new new generation of Justfit Hybrid suits. Your clients will just love the slim-fit, trendy design and enjoy wearing the comfortable yet durable fabric.

- Inspired by the future
- No more limits
- Can be watered from the outside
- Flexible and slim-fit

Possessing the suit of their own makes the training personal and ultra hygienic. And last but not least, becoming a Justfit point of sales means extra revenue for you.

Return on investment

Let's take a look at the most important business data* of a personal trainer:

- Average cost of a 45 minute EMS personal training: **40-60 Eur**
- Average number of trainings performed per month: **150**

This means that within a 3 month period the initial investment returns. **After 3 months your business will produce profit.**

*Based on Justfit survey 2019 with participation of 250 personal trainers from 24 countries.
