

JustfitMe

The first EMS system you can use
anytime, anywhere

JustfitMe - part of your everyday life

There are plenty of fitness systems and EMS devices. But there is only one that that can be used anywhere, anytime without limits.

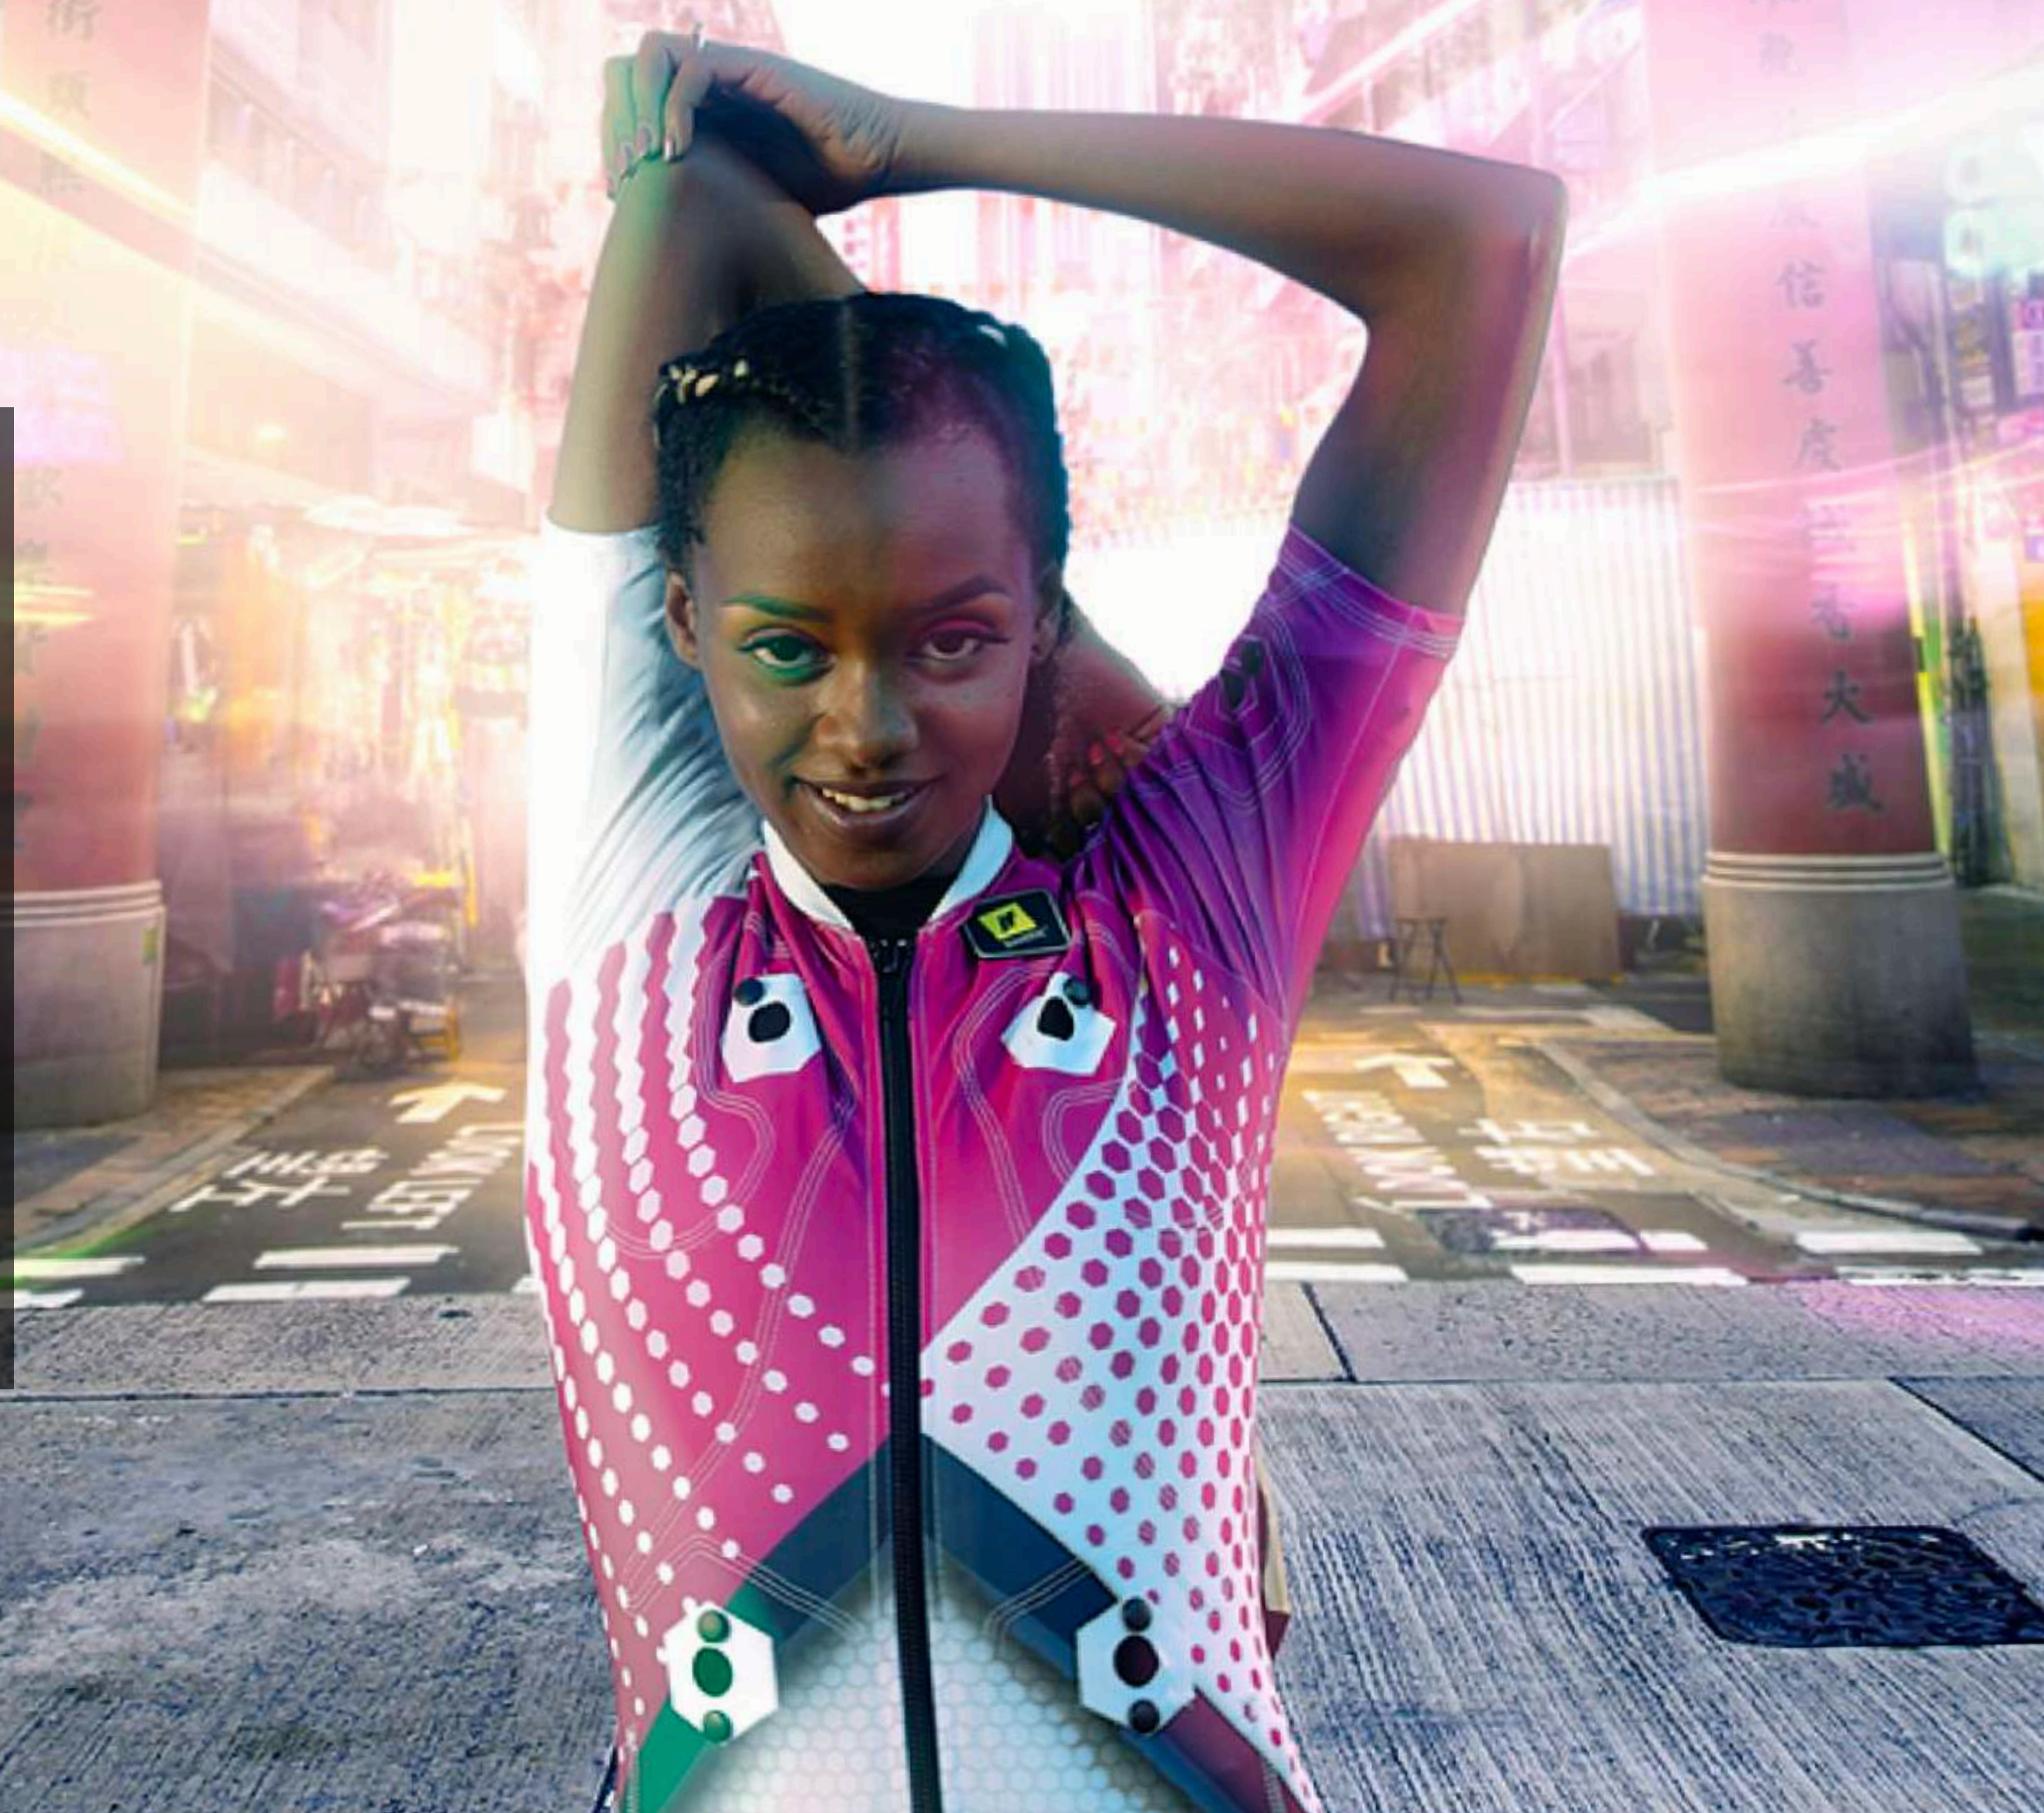

If you want to fit exercise in your everyday life you need a device that flexibly adapts to your routine. JustfitME is the answer.

Always in motion

JustfitMe is a device you can take with you anywhere and use it for 20 minutes three times a week instead of losing hours at the gym. Enjoy the same result, spend less time.

JustfitME can do everything an electrical muscle stimulator has to. And even more...

JustfitMe Ace Powerkit has arrived!

Enjoy complete studio experience at home with the unique JustfitMe Ace Powerkit. The suit was originally designed for professional fitness studios and gyms where it's exposed to extreme use. More than 7000 sold items have proved its durability and effectiveness.

- ⚡ Studio experience at home
- ⚡ Extra durable fabric
- ⚡ Adjustable suit size
- ⚡ Compatible with all JustfitMe accessories

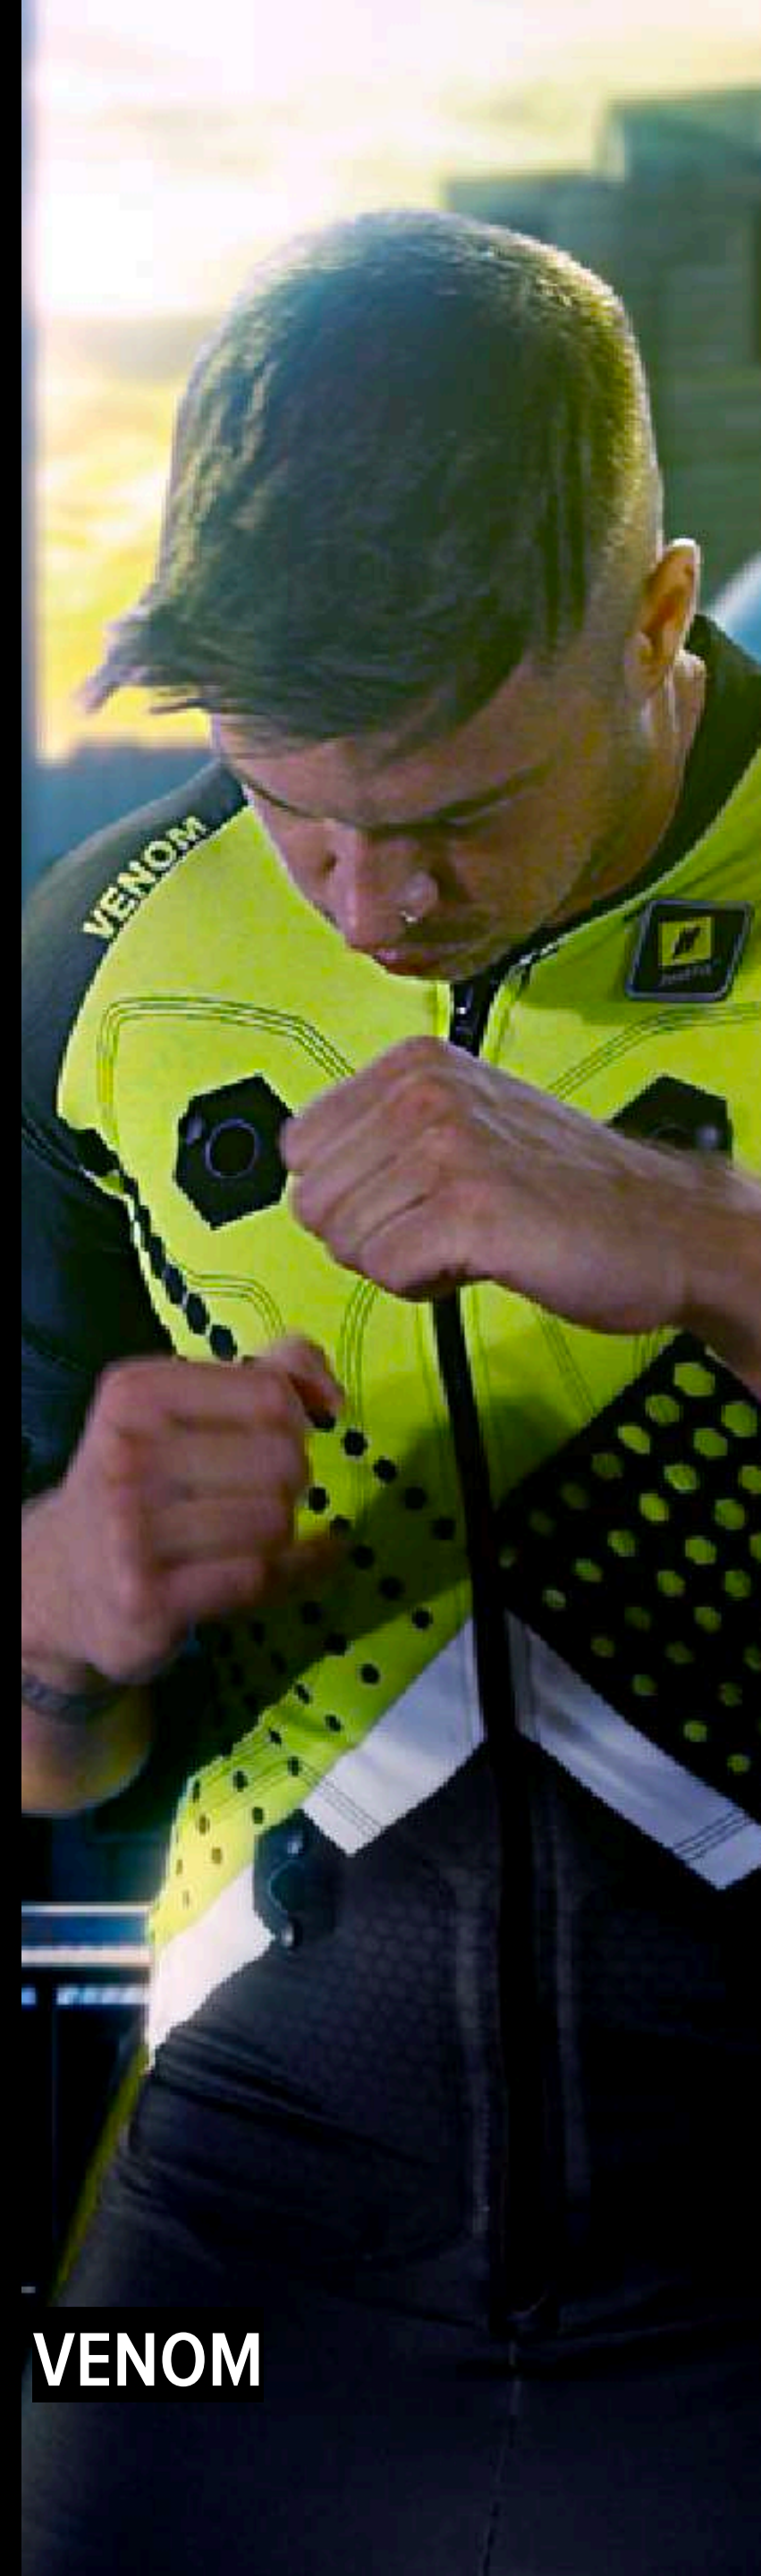

PASSION

CONFIDENCE

OBSESSION

VENOM

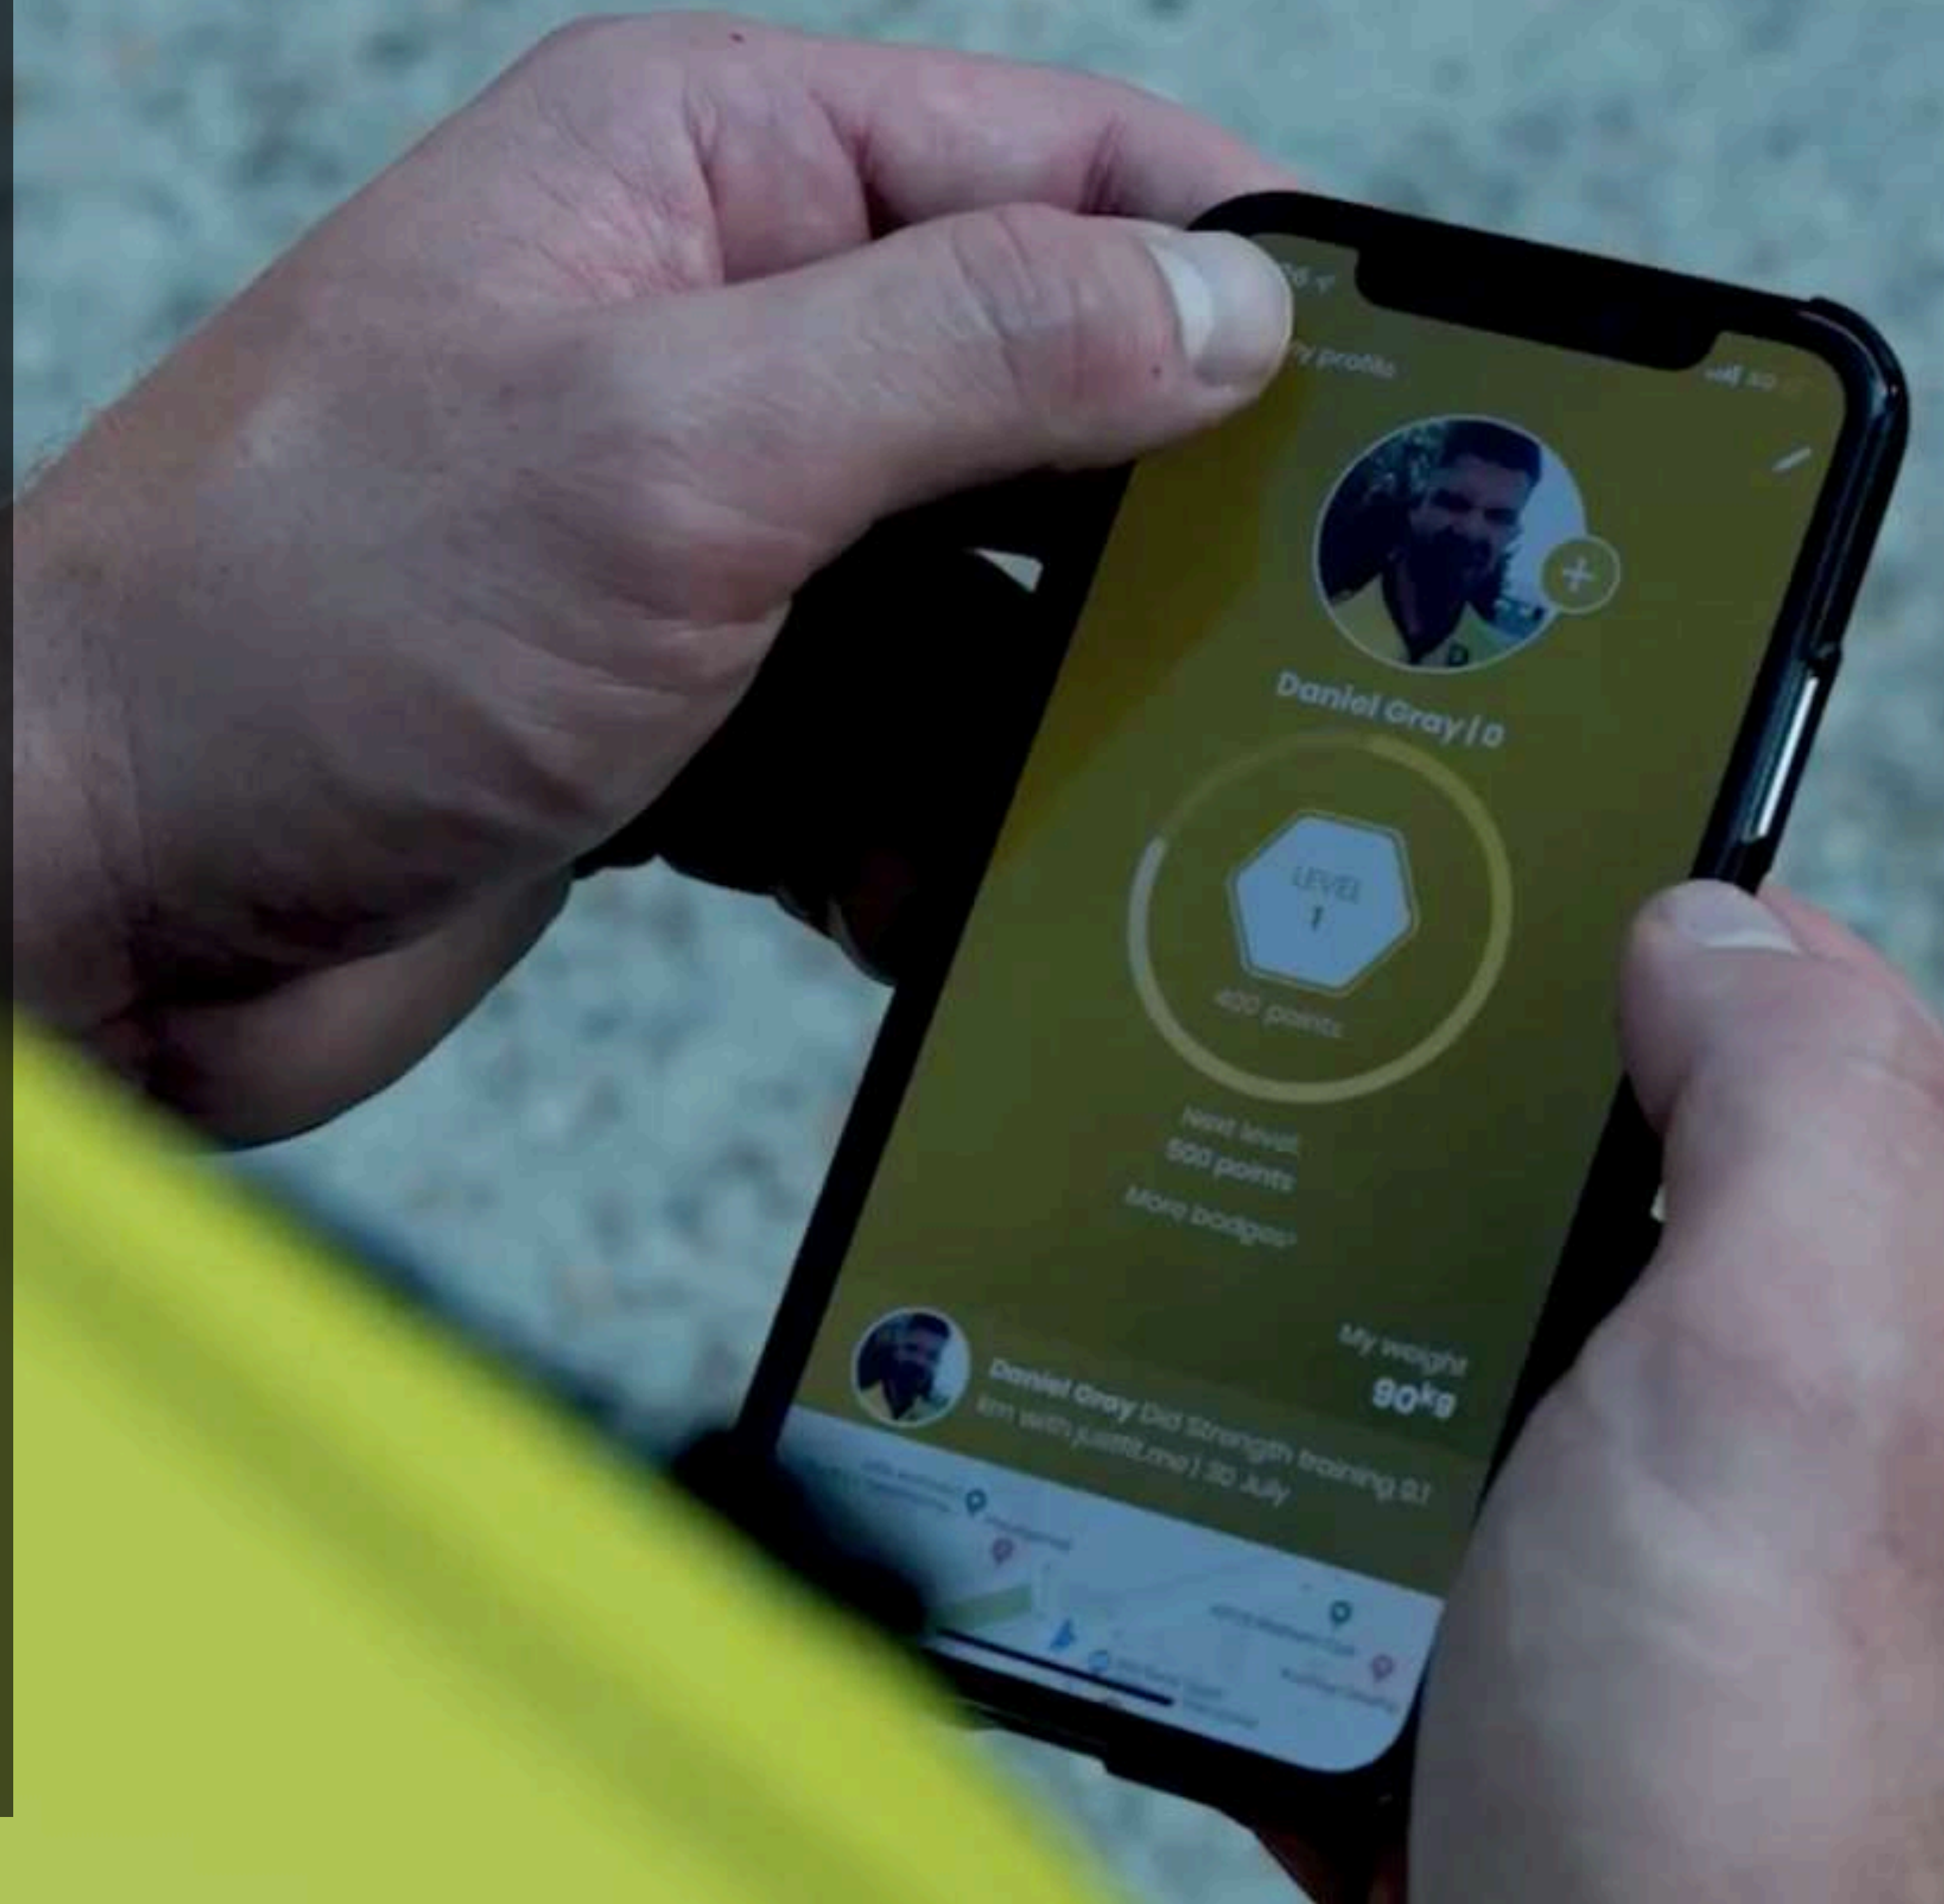

JustftMe suit. In perfect harmony with your body

- Inspired by the future
- No more limits
- Can be watered from the outside
- Flexible and slim-fit

JustfitMe App: your companion in everyday life

It not only monitors your daily training sessions but also makes you part of the Justfit community.

- Create your very own training program with the help of the app! It has never been this easy. It even warns you not to forget your session.
- Track your own progress. With the built-in statistic module you can check the efficiency of your training sessions.
- Built-in voice control: there is no need to touch. You just have to say what you would like.
- You can even search for gyms with it.

JustfitMe control unit - the smallest among all

- Ultralight case, spectacular design
- The JustfitMe control unit makes sure that the training program in the JustfitMe app is accomplished. It connects to your training suit with a unique connector.
- JustfitMe trains 11 muscle groups at a time. The values can be set in synch at the same time or individually.

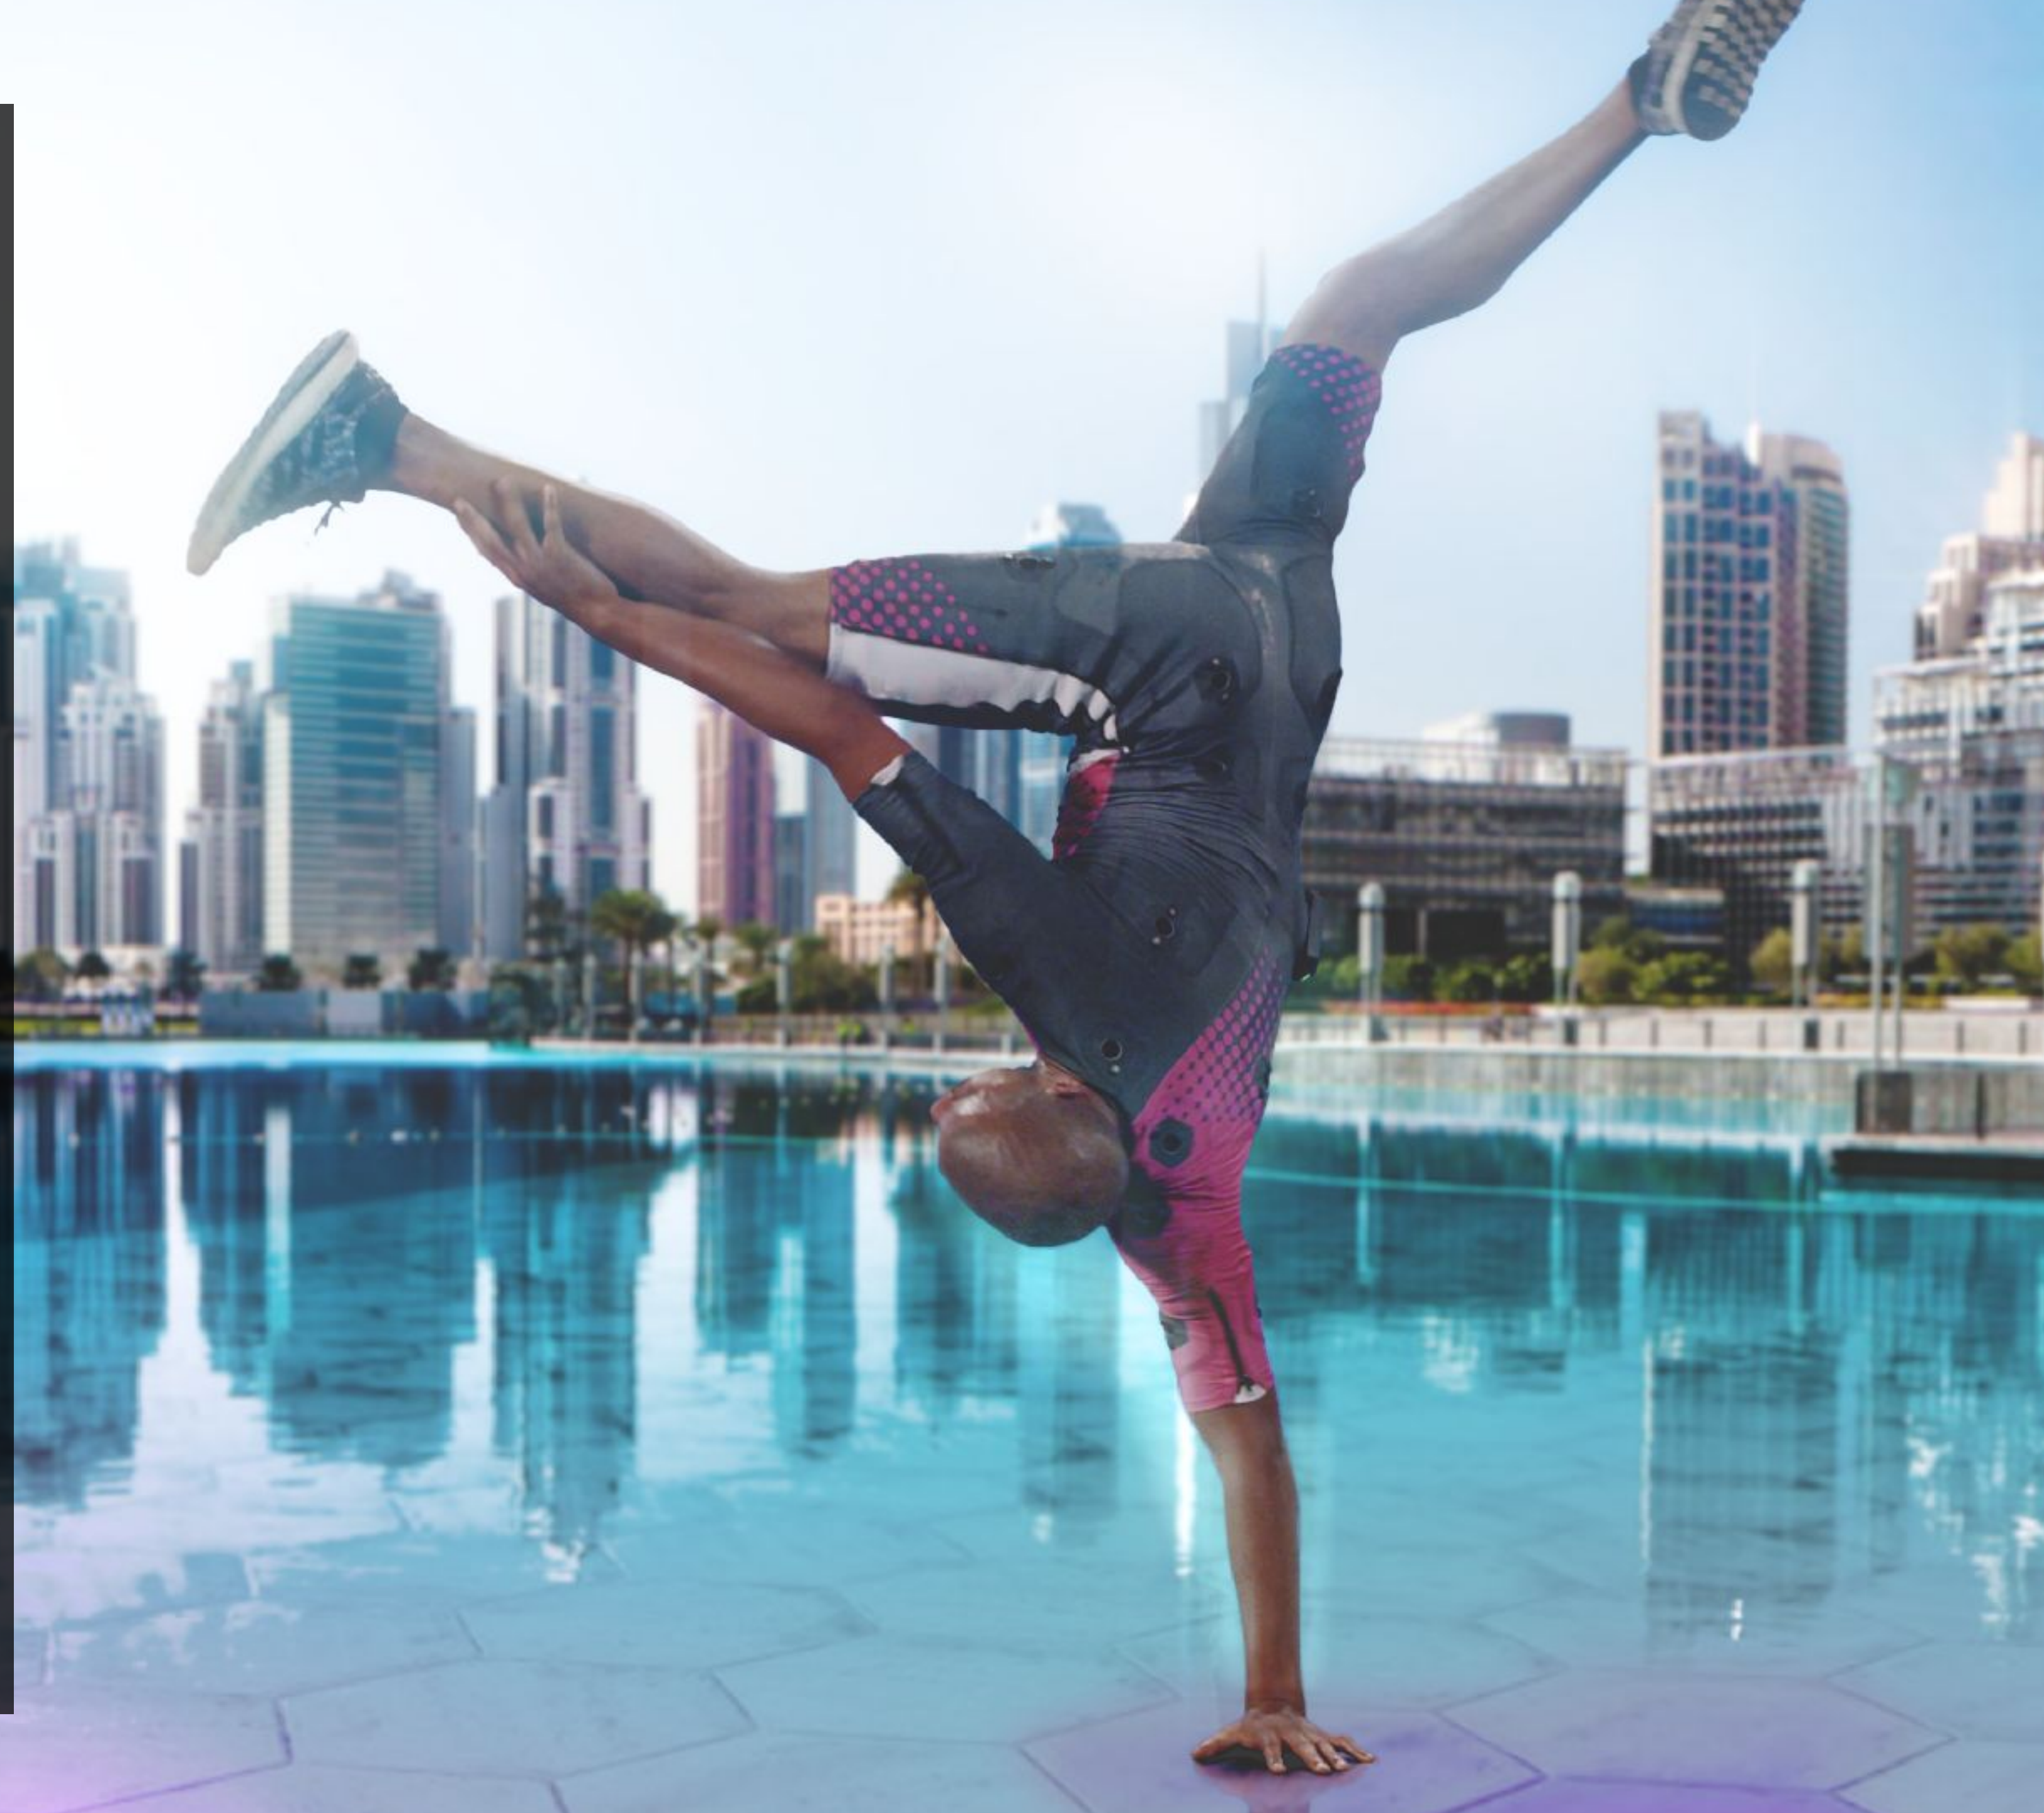

JustfitMe – the best value for money EMS device in the world

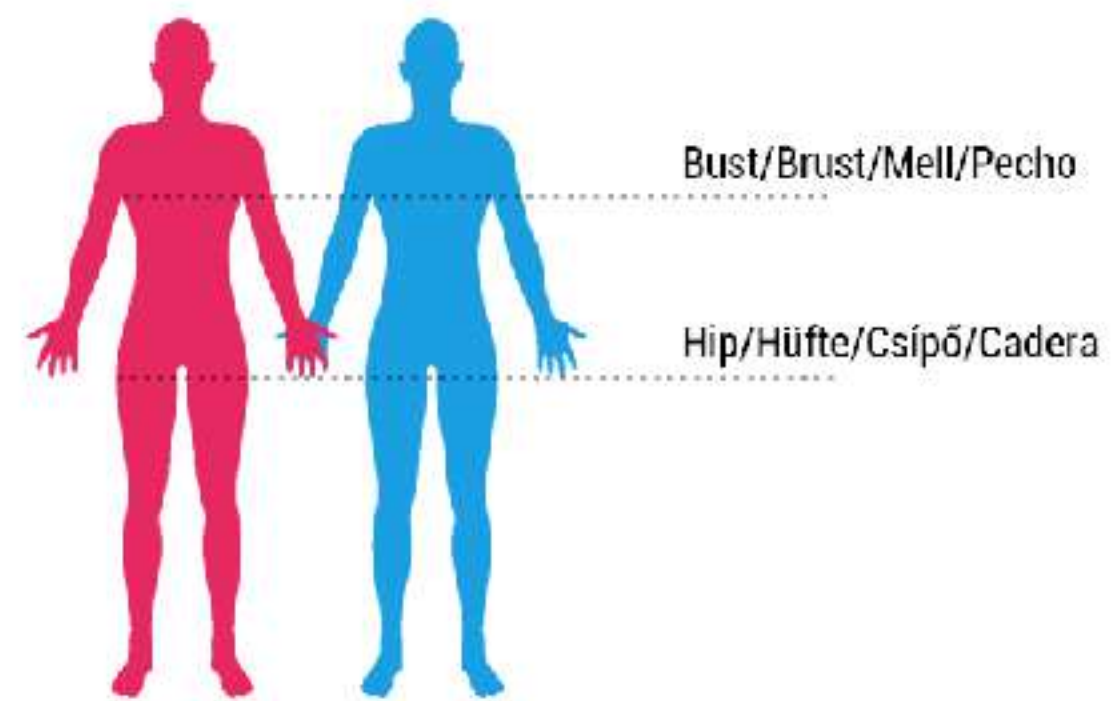

Due to our unique payment schemes you can enjoy the advantages of the most innovative electrical muscle stimulation technology with a low starting investment.

Aim for the impossible without limits.
Anytime, anywhere.

- For losing weight
- For increasing muscle mass
- For increasing endurance
- For rehabilitation
