## JUSTFIT HERO PROFESSIONAL EMS POWERSUIT

Say hello to a fresher, cleaner, and cooler look that sets you apart from the crowd. Our Justfit HERO Series goes beyond aesthetics, offering exceptional design that seamlessly blends with enhanced functionality.

## JUSTFIT HERO TUSH & HIP EMS MULTITONER PANTS

Introducing the Justfit HERO Tush & Hip EMS Multitoner Pants. Revel in a product that transcends the ordinary, delivering not just a workout gear but a cutting-edge experience tailored for targeted stimulation.

## WHAT'S FRESH WITH THE HERO SUIT?

The HERO family stands out for its versatility, offering both wet and dry electrodes for your preference. Uniquely, this is the only product on the market that allows users to choose between both options, catering to various training environments and preferences.

## CONTROL UNIT - STRATEGICALLY RELOCATED FOR ENHANCED CLIENT COMFORT

We've made a strategic upgrade to the Justfit HERO Series. Say goodbye to discomfort during specific exercises as we've relocated the control unit from the back to the side of the suit. This innovative adjustment ensures unparalleled comfort, allowing you to move freely and perform exercises with ease.

Embrace a new era of convenience without compromising on functionality. The side placement of the control unit in our Justfit HERO Series represents a significant leap forward, providing a seamless and comfortable training experience tailored to your every move.

## JUSTFIT HERO TUSH & HIP MULTITONER PANTS

Our pants offer more than just style; they boast a design that is distinctive and functional, ensuring you receive the best in targeted muscle stimulation. Step into a new realm of fitness and beauty where innovation meets tailored excellence, providing unmatched comfort and efficiency. Redefine your clients' training routine with the extraordinary Justfit HERO Tush & Hip EMS Multitoner Pants – crafted for those who demand more from their fitness journey.
